December 4 - 12, 2020

April 16 - 24, 2021

9 days from \$1,695pp

*From Palm Canyon Drive to Todos Santos in Baja California. Without flying. By Train & Ship*

For many decades, Palm Springs has been one of our favorite places in North America. With its warm days, stunning mountain backdrop, quaint downtown village, great restaurants and a range of activities from golf to relaxing by the pool, Palm Springs has always delighted. And now, it is arguably nicer than ever with a redeveloped downtown bursting with new shops, galleries, nightclubs and dining establishments. With this inspiration, we have designed the perfect holiday, the ideal mini-break before the holidays that offers the sublime luxury of three nights in Palm Springs, at the superb Hyatt Palm Springs in the heart of downtown followed by a wonderful 'sampler' cruise aboard the very nice 'Royal Princess' of Princess Cruises down the Pacific Coast to another favorite place of great beauty, Cabo San Lucas in Baja California. Nicer still, we have a rare overnight stay in Cabo San Lucas which allows us to offer an excursion to the charming fishing village of Todos Santos, one of the hidden jewels of Mexico.

Not only is this indulgent getaway affordable, as you would expect we have included some wonderful dining in Palm Springs along with plenty of free time, great sightseeing in Palm Springs and in Cabo San Lucas, special cocktail parties and all transfers. We have even included free train travel from any California city or town to Palm Springs. Offered only once, this fun getaway will sell out so prompt reservations are wise. All Aboard!

## Day One | Palm Springs

Guests arrive in Palm Springs and begin the first of three nights as the excellent Hyatt Palm Springs located in the heart of downtown on Palm Canyon Drive. There are over 70 restaurants and cafes within a one mile radius. We have left all evening at leisure since guests are arriving at different times today.

## Day Two | Palm Springs

A full day to enjoy this desert Paradise. We have included brunch this morning with all afternoon free to enjoy the pool, golf, tennis, riding horseback, or our favorite, a visit to the nearby Indian Canyons where lush foliage creates a green oasis. Within a few blocks of our hotel are nice shops, boutiques, galleries and museums as well. Tonight is our welcome dinner at famed Las Casuelas Terraza for some of the finest Mexican food in the country. B D

## Day Three | Palm Springs

All morning to sleep in or enjoy leisure time as you see fit. This afternoon is our city tour followed by a visual treat, the aerial tram ride up Mt San Jacinto with breathtaking views from the summit. The tram ride passes through geologic and flora changes equivalent to driving from Baja California to the Yukon and you will want to have your camera handy. There is ample time at the summit to take in the spectacular views in every direction and as a special treat, we enjoy dinner tonight on the Mountain top. D

## Day Four | Set Sail

Another morning to sleep in since we will not depart the hotel until 10am for the Port of Los Angeles and the Royal Princess. A nice feature today is that we will stop for lunch en route at the fabled Mission Inn in Riverside, one of the most storied hotels in the country and a must-see place everyone should go to at least once. L

## Day Five | At Sea

All day at sea off the coast of Baja California to enjoy this resort at sea. Three of our favorites including the piazza style Atrium, the very dramatic glass-floored SeaWalk and for curling up with a good book, The Sanctuary, a haven of calm, ocean views and comfortable deck chairs. With a huge choice of restaurants, cafes and lounges, Royal Princess is a treat. B L D

## Day Six | Cabo San Lucas

We arrive in Cabo San Lucas after breakfast and happily have all day and evening in this charming tip of Baja California. This afternoon we offer our complimentary excursion to quaint Todos Santos, a village of great charm. Later, you may refresh on the ship before a night on the town or simply relax onboard Royal Princess. B L D

## Day Seven | Cabo San Lucas

We have another half day in Cabo San Lucas with time for exploring, shopping, lunch in town or whatever you prefer. We set sail at 1pm for a beautiful voyage up the coast, bound for Los Angeles. B L D

## Day Eight | At Sea

At sea all day at sea to relax and enjoy ocean travel. This might be a good day to savor breakfast in bed, lunch on deck, an afternoon visit to the spa or the treat of Afternoon Tea. Later tonight is our cocktail party followed by dinner and a choice of shows offering some of the highest rated entertainment afloat. B L D

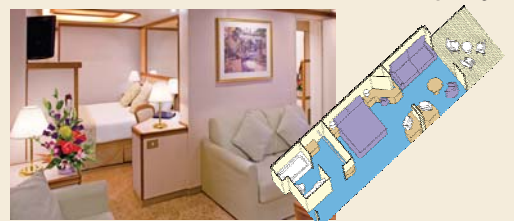

## Day Nine | Welcome Home

We disembark at the port of Los Angeles after breakfast and for those with train connections we offer a complimentary transfer to Union Station in downtown LA. Guests may travel home or may opt to extend their stay in Southern California if they wish. B
