10 Days from \$2,995 per person

It is with great pleasure that we offer a one-time only Fall Colors holiday to Canada & New England that combines our own special classic Streamliner train, the 'Montreal Limited' along with a full day in magical Quebec City and two-nights in Montreal complemented by an elegantly planned cruise aboard the ms Amsterdam of Holland America Line. In addition to some brilliant sightseeing and fine dining, our ports of call are superb and include Bar Harbor, Maine, Canada's Atlantic Provinces and Quebec, all in one leisurely and stylish cruise.

We begin our voyage in Boston and take in Bar Harbor, Halifax and Sydney, Nova Scotia, Charlottetown, Prince Edward Island and glorious St Lawrence River for almost 1000 miles. The highlight of this cruise is a stop in one of our favorite cities in the world, charming Quebec City with its old-world charm and joie de vivre. Of course, complete sightseeing is also included here, along with a special luncheon. On day eight we disembark in Montreal where we enjoy two full nights along with a complete city tour and grand welcome dinner in the second largest French speaking city in the world after Paris.

Saving the best for last, we conclude our holiday with swank and stylish travel between Montreal and New York City over the Canadian Pacific Railway aboard our own classic vintage train, the 'Montreal Limited', a day trip of stunning beauty via the Hudson River Valley, the Adirondack Mountains and Lake Champlain. The 'Montreal Limited' features club car seating, big windows, an attentive staff and, naturally, all meals, wines and spirits while aboard are included on this glorious journey, at the perfect time of the year.

Aboard ms Amsterdam, lovely extras await including special cocktail parties, dinner in the Pinnacle Grill with our compliments and much more. There is only one flaw with this Autumn holiday, it will fill quickly so prompt reservations are encouraged to avoid disappointment!.

Itinerary

Date	Day	Port / Activity
Sep 19	Sat	Depart Boston Guests arrive today in Boston and embark the ms Amsterdam, your new home for the next seven nights. The ship sails at 4pm this afternoon, check-in starts at 1pm.
Sep 20	Sun	Bar Harbor, Maine Located on Mount Desert Island in Maine, Bar Harbor is the quintessential New England coastal town. Picturesque and charming, it is a scenic and walkable town with streets lined with restaurants and boutiques. Dining on lobster is a must, as is a scoop or two at one of the town's homemade ice cream shops.
Sep 21	Mon	Halifax, Nova Scotia The star-shaped fortress stands guard to this fascinating city where, in summer, a band plays the bagpipes while a cannon is still fired ceremoniously each day at noon. Come view tradition as it lives on today. Halifax was Britain's largest naval base in North America and still has an impressive presence.
Sep 22	Tues	Sydney, Nova Scotia Sydney is the largest city on Cape Breton Island, which is linked by causeway to the rest of Nova Scotia. Sydney's attractions start at the harbor, where visitors can shop for locally made crafts.
Sep 23	Weds	Charlottetown, Prince Edward Island Charlottetown is the capital of Canada's smallest province, Prince Edward Island, as well as its largest city, though it has fewer than 35,000 residents. Despite its modest size, the city has an impressive number of Victorian houses and buildings and great parks waiting to be explored. "Anne of Green Gables" was set on Prince Edward Island.
Sep 24	Thur	Cruising the Gulf of St. Lawrence
Sep 25	Fri	Quebec City, Quebec, Canada Few places in North America are as steeped in history as Québec City, Canada. Older than Jamestown and founded before the Pilgrims landed at Plymouth Rock, it is the only city north of Mexico whose original fortifications remain intact. The Québec City historic district, a UNESCO World Heritage Site, is still home to religious orders and hospitals that date back to the 17th century. Its Place-Royale would look familiar to the explorer Samuel de Champlain, even with its modern attractions of gift shops and cafés. On the Plains of Abraham, you can walk the battlefield where, in 1759, the French forces under General Montcalm were decisively trounced by the British, led by General Wolfe.
Sep 26	Sat	Montreal, Canada We dock this morning and transfer to the Le Centre Sheraton Hotel.
Sep 27	Sun	Montreal, Canada All morning free to sleep in followed by a city tour of this great city, the largest French speaking city in the world after Paris. We will tour Mount Royal, the chic Westmount area and St. Laurent with all afternoon free to enjoy Sherbrooke St with its fine shopping, further exploration of the old Port or a horse-drawn carriage ride. Tonight is our special Farewell dinner in Old Montreal. (B,D)
Sep 28	Mon	Montreal to New York We depart this morning to board the 'Montreal Limited', traveling through the Adirondack Mountains and through the lush wine country of the Hudson Valley en route to New York where our arrival is scheduled at 8:55pm this evening. (B,L,D) (Meals included on land are noted)

Saving the best for last, our Journey to Atlantic Canada ends in great style and comfort aboard our very own "Montreal Limited" from Montreal to New York City. With comfortable lounge seating, fine dining (all meals, wines & spirits are included whilst aboard) and replete with period details, fresh flowers and an attentive staff, this is a lovely way to travel to New York City. The BBC recently described this route as the prettiest in North America and we expect you will agree. All Aboard!

For more than 130 years, Holland America Line has taken discriminating guests like you to the most magnificent destinations around the world. From the moment you step aboard this classic cruise ship, you will believe that the Golden Age of ocean travel has just begun. It's evident in the gleam of brass brightwork, the curve of a teak deck chair, the sound of pleasant musical chimes summoning you to dinner. Ours are the traditions that have long defined classic cruising, refined for a new generation seeking sophistication and romance.
