It is with great pleasure that we offer a once yearly Fall Colors holiday to Canada & New England that combines our own special classic Streamliner train, the 'Montreal Limited' along with a full day in magical Quebec City and two-nights in Montreal complemented by an elegantly planned cruise aboard the ms Amsterdam in 2020 (ms Zaandam in 2021) of Holland America Line. In addition to some brilliant sightseeing and fine dining, our ports of call are superb and include Bar Harbor, Maine, Canada's Atlantic Provinces and Quebec, all in one leisurely and stylish cruise.

We begin our voyage in Boston and take in Bar Harbor, Halifax and Sydney, Nova Scotia, Charlottetown, Prince Edward Island and glorious St Lawrence River for almost 1000 miles. The highlight of this cruise is a stop in one of our favorite cities in the world, charming Quebec City with its old-world charm and joie de vivre. Of course, complete sightseeing is also included here, along with a special luncheon. On day eight we disembark in Montreal where we enjoy two full nights along with a complete city tour and grand welcome dinner in the second largest French speaking city in the world

after Paris.

Saving the best for last, we conclude our holiday with swank and stylish travel between Montreal and New York City over the Canadian Pacific Railway aboard our own classic vintage train, the 'Montreal Limited', a day trip of stunning beauty via the Hudson River Valley, the Adirondack Mountains and Lake Champlain. The 'Montreal Limited' features club car seating, big windows, an attentive staff and, naturally, all meals, wines and spirits while aboard are included on this glorious journey, at the perfect time of the year.

Aboard ship, lovely extras await including special cocktail parties, dinner in the Pinnacle Grill with our compliments and much more. There is only one flaw with this Autumn holiday, it will fill quickly so prompt reservations are encouraged to avoid disappointment!.
