

# Glories of the West

**One Departure Only!**  
**September 1 - 15, 2019**

*The Great National Parks of the West by Classic Streamliner train, aboard the 'Great Western Limited'. The ultimate holiday to the Grand Canyon, Monument Valley, Bryce & Zion, Arches & Canyonlands, Grand Teton, Yellowstone and Glacier National Parks with excellent hotels, exceptional dining, comprehensive sightseeing and our own private train operating round-trip from Chicago!*

**W**ithout question, the Grand Canyon, Monument Valley, Bryce & Zion, Arches & Canyonlands, Yellowstone and Grand Teton National Parks are truly the 'Glories of the West' and offer some of the most stunning scenery in North America.

Arches & Canyonlands with their canyons, mesas and buttes are stunning and must be seen to be believed. Grand Teton, with its jagged mountains, pristine lakes and rich wildlife is a jewel and Yellowstone, with its geysers, hot springs and waterfalls is a visual feast. Equally splendid is Glacier National Park, Montana with its storied 'Going to the Sun' road and happily, we have combined all five of these great National Parks into one glorious holiday with excellent hotels, epic scenery and intelligent planning. Nicer still, ALL sightseeing is included, from a boat cruise on Jenny Lake during our visit to Grand Teton, to complete touring in Yellowstone including Old Faithful and during our stay in Glacier National Park, the fabled red open-air 'jammer' buses. There is a professional Tour Manager to handle the details from start to finish and most meals, are included.

Great destinations deserve a great train and we have re-created a classic 1950's era streamliner train, similar to such legends as the North Coast Limited and the City of San Francisco to convey our guests from Chicago to and from the National Parks in great style and comfort. With a choice of comfortable Pullman sleeping car accommodations, an inviting lounge area with large windows for taking in all of the wonders of the west, our Great Western Limited provides a level of accommodation, dining & service not found on any Amtrak train. With our own attentive staff, classic railroad dining (all meals, wines & spirits are included while aboard!), plenty of room and a delightful ambiance with such amenities as fresh flowers, afternoon tea, nightly turn-down service and much more, there is simply no finer way to see the West.

We invite you to compare this exquisite holiday with those offered by any other company, most of which require days of endless bus travel, a different hotel every night and ordinary lodging and you will agree that this Holiday puts others to shame.

*We look forward to welcoming you aboard!*

*Yellowstone has more than 10,000 geysers and hot springs.*
